

TRANSLATE THE “WHISKY LOVERS ENCYCLOPEDIAE” WEBSITE FOR FREE INTO ANOTHER LANGUAGE USING “GOOGLE TRANSLATE”

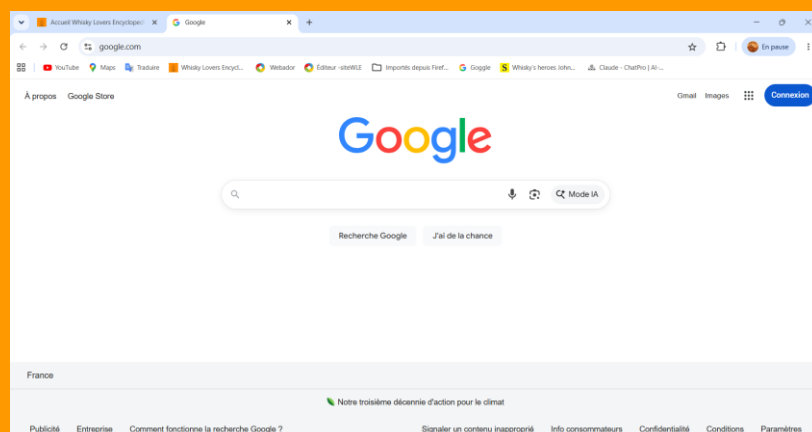

"**Whisky Lovers Encyclopaediae** is originally written in French. To allow whisky enthusiasts around the world to access the content of whisky-lovers-encyclopaediae, it is possible to use the free **Google Translate** tool to automatically display the **Whisky Lovers Encyclopaediae** website in the language of your choice (within the limits of Google Translate).

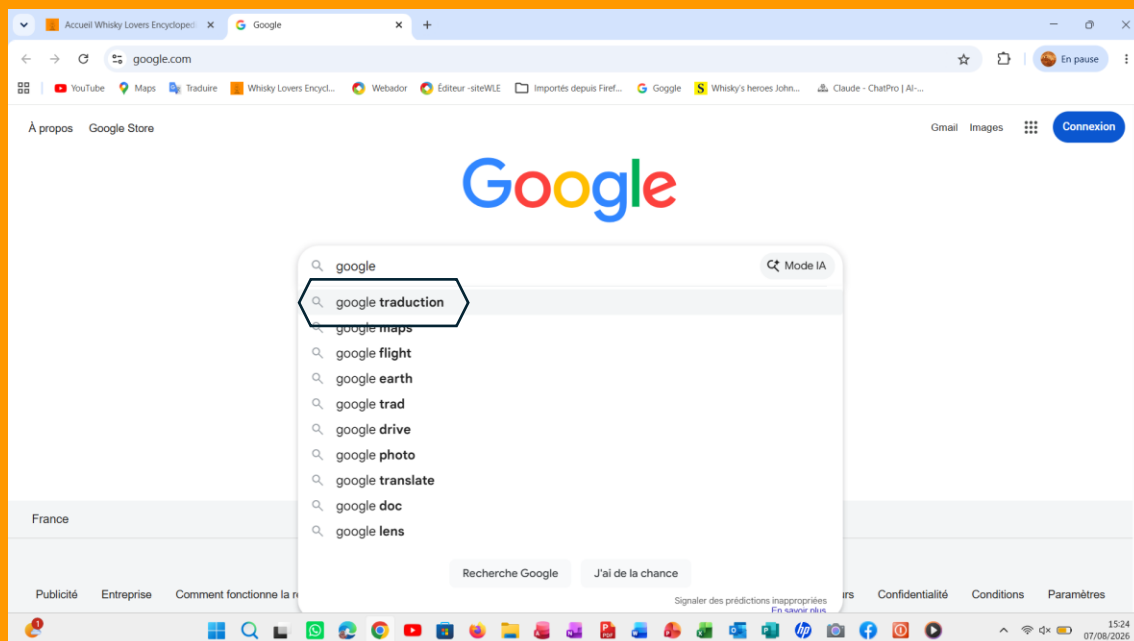

Google Translate allows you to directly translate an entire website while preserving its general layout (menus, titles, paragraphs, and pictures).

STEP 1: OPEN GOOGLE TRANSLATE

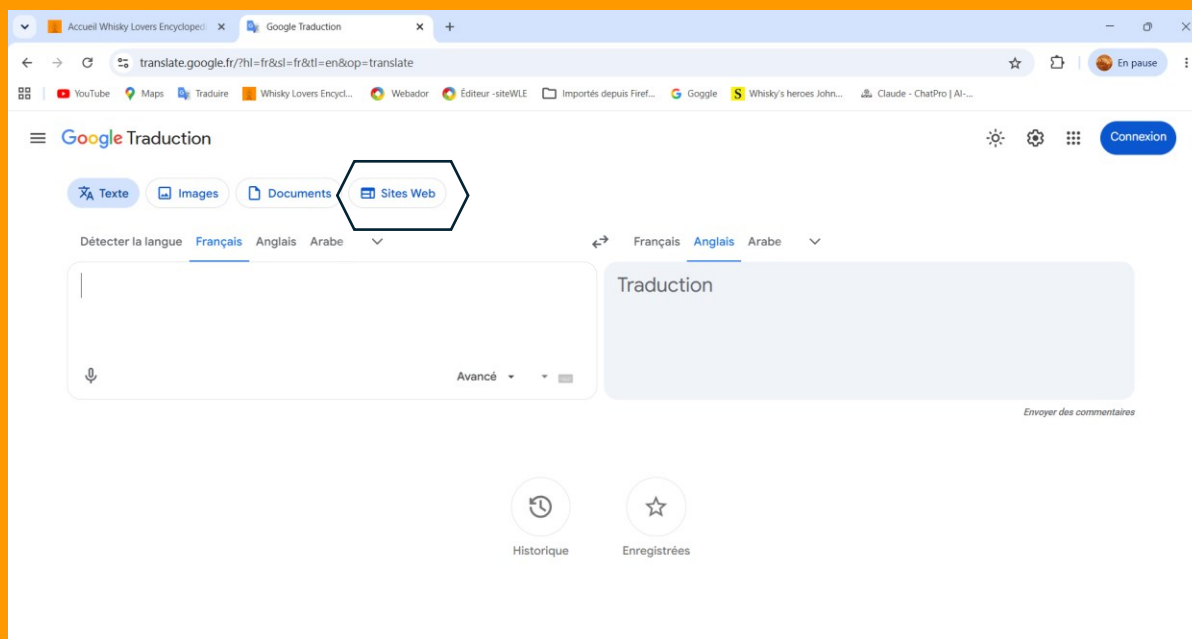

- "**Open an Internet browser** of your choice (Google Chrome, Firefox, Edge, Safari, etc.).
Example here using Google Chrome"

b. Search Google Traduction.

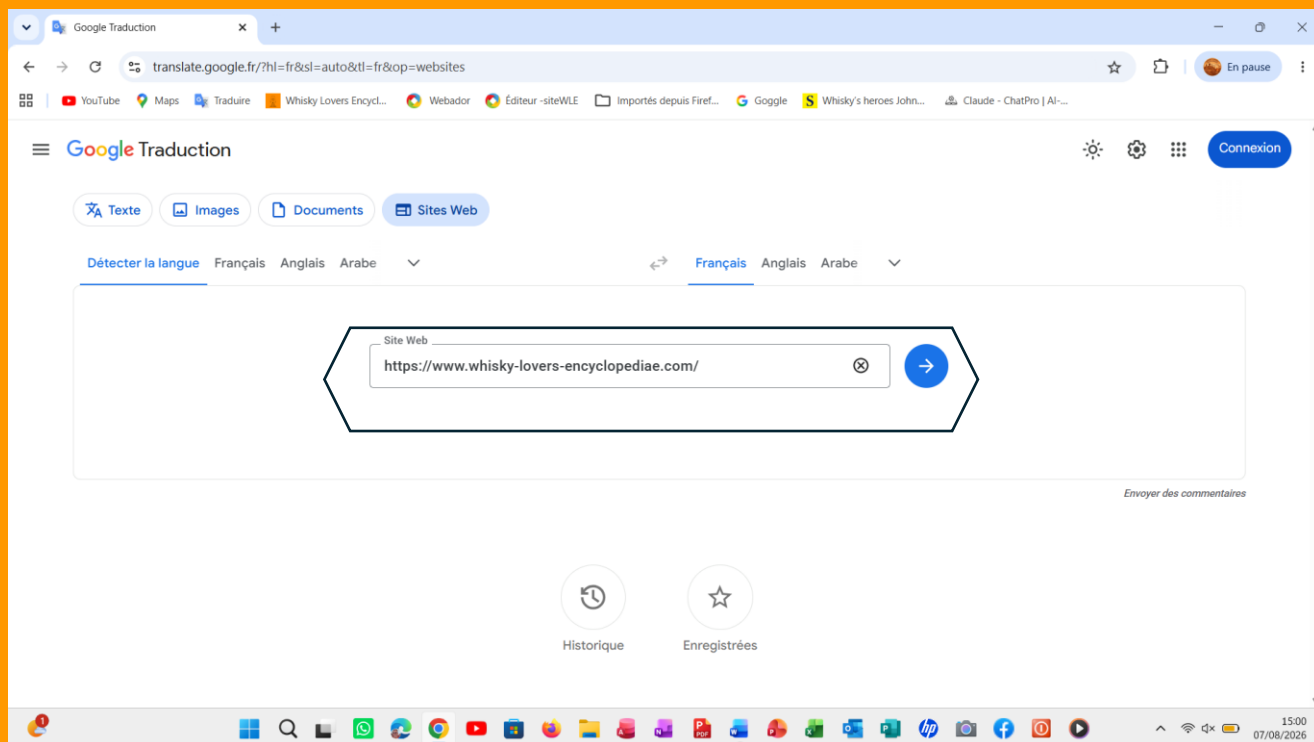

c. Open Google Traduction

Step 2: Enter the website address « <https://www.whisky-lovers-encyclopediae.com> »

Then click on the "Websites" **feature**. A window designed for entering an internet address will open.

- In the field designated for entering the address to be translated, copy the address.
<https://www.whisky-lovers-encyclopediae.com>
- Check and modify the source language if necessary (e.g., French).
- Choose the desired language (e.g., English).

STEP 3: START THE TRANSLATION by clicking on the blue arrow, the job is done!
