Whisky News of the Week

Official Aberlour announcement of 24 September 2026

The Speyside distillery Aberlour has just unveiled its two oldest permanent expressions to date.

Aberlour raises the bar: **21 and 25 Years old join the permanent range!**

ABERLOUR 21 YEARS (48% ABV): the brand's first permanent 21-year-old expression, double maturation in American oak + Sherry oak, with an announced price of €270 (to be verified)

ABERLOUR 25 YEARS (50.8% ABV), with an announced price of €650 (to be verified)

Both are single batches, presented as a tribute to the union of time and craftsmanship, as the distillery approaches its 150th anniversary, having been founded in 1879.

They are making their grand debut this very weekend at Whisky Live Paris, from 26 to 28 September at the "Grande Halle de la Villette", before arriving at specialist retailers from this month.

This is the biggest core-range expansion since Aberlour 18 Years in 2008. For collectors and all whisky lovers, it is an event.

TASTING NOTES

Aberlour 21 Years: cherries, baked apples, chocolate ganache, crystallised ginger / blood orange, cinnamon, nutmeg

Aberlour 25 Years: peaches in syrup, red liquorice, marzipan, red plums / cardamom, fresh ginger

According to The Whiskey Wash: both whiskies are making their debut at Whisky Live Paris from 26 to 28 September 2026 and will arrive at retailers from September 2026.
